

Declaration of Conformity to EU REACH

Herewith, we confirm that the products manufactured by Sensor to Image are compliant with Regulation (EC) No 1907/2006 of the European Parliament and of the Council of 18 December 2006 dealing with the Registration, Evaluation, Authorization and Restriction of Chemicals (REACH).

Sensor to Image is under the terms of the above-mentioned regulation a "downstream user" and, is accordingly not subject to the registration process. Sensor to Image delivers exclusively non-chemical products. These contain no substances subject to be released according to REACH article 7 (1) in normal or reasonably predicable conditions of use.

Based on the actual information by our suppliers (regarding Article 33) we can confirm that the undermentioned Sensor to Image products do not contain any of the substances specified in the so-called ECHA "candidate list" SVHC-Substances of Very High Concern (REACH Article 59) with a concentration of more than 0.1 % (w/w).

This notification has been issued to the best of our knowledge and on the basis of our suppliers' own certifications.
